POLICE SERVICE DOG/USAR-K9

In early part of 2009, Dakota Ojibway Police Service entered into a partnership with the Province. Urban Search and Rescue Unit operating out of the Office of the Fire Commissioner. DOPS supplied a Member to work with the USAR team as a K9 handler and the USAR Team supplied the dog, covered any related expenses, such as training, etc.

The primary function is Search and Rescue. The USAR-K9 Coordinator realized our unique situation and was able to lo-

cate a fully trained Police Dog "Mason". Mason is trained in most Police Service Dog functions and will be utilized in various capacities to help keep our communities safe.

Constable S.E. (Steven) McArthur was selected as the K9 handler and his training commenced as soon as D.O.P.S. received Mason.

Steven McArthur is originally from the Portage rural area. He is an avid hunter and fisherman and enjoys the outdoors immensely. Cst. McArthur graduated from ACC-Police Studies Program in the spring of 2008. He commenced his employment with Dakota Ojibway Police after his successful completion of Police Studies Phase "B" Program.

Both Cst. McArthur and Mason are posted at Sandy Bay Detachment. When they are not on call for Search and Rescue duties, they perform community functions in areas of crime prevention within the Communities that we service.

MISSION

STATEMENT

"Strive to ensure the safety, security, trust and protection of the First Nation Communities: Bird-tail Sioux, Canupawakpa Dakota Nation, Roseau River, Sandy Bay and Sioux Valley. Uphold the highest standards of professionalism and to honor the cultures, beliefs and traditions of the First Nations families and communities of which the Department serves."

Chief's Christmas Message

MERRY CHRISTMAS EVERYONE!

That time of year has arrived where everyone is busy getting ready for the Yuletide festivities. For most people this is a very happy and fun time of the year. For others, it's very sad and stressful, especially for those who are less fortunate and have no means to provide for themselves and their families. Helping others does not always

mean giving money, helps come in many forms. Asking an elderly person who is alone to supper, volunteering and spending time with the shut-ins.

This past year has gone by fast and it has been an extremely busy year. It has truly been a rewarding challenge upon my commencement as Chief with the Police Service. The support and cooperation that I received from the staff and

members has made it a remarkable experience. The teamwork displayed also demonstrates the pride and commitment of our service.

HAPPY HOLIDAYS AND THE VERY BEST TO EACH AND EVERYONE!

D.A. (DOUG) Palson
Chief of Police

WINTER SAFETY

Winter is a wonderful time of the year for children! Participating in outdoor winter play is a good way to keep healthy. Don't let injuries spoil your fun.

Dressing for the Temperature:

- Wear clothing that holds the body's heat. Cotton next to the skin tends to draw heat from the body. Wool and synthetics are a better choice.
- Wear multiple layers of protective clothing (layers between fabric hold the body's heat).
- Make sure children wear a warm hat that covers the earlobes. Most body heat is lost from the head.

- Mittens will keep hands warmer than gloves.
- Make sure boots are dry and are not too tight.
- If long scarves are worn, make sure they are tucked safely inside your child's jacket. Remember to secure long hair too! It can get caught the same as a scarf.
- Bulk clothing, large buttons, drawstrings and hoods can get caught in play equipment. Remove drawstrings on hoods and jackets to avoid strangulation during play. Make sure your child's headwear does not obstruct vision.

Before your child goes out to play, always check the temperature. Dress for the Wind Chill not the actual temperature.

Youth Cadet Corps

Dakota Ojibway Police Service Cadet Corps will commence on January 13, 2010 at Sioux Valley School.

There is no cost to join. Transportation will be provided to and from the school. Interested participants must be between the ages of 12 to 17. The program will be based on community involvement. Sports will be an integral part of the program.

The benefits of the Cadet Corps will be to learn teamwork and meet other youth with the same goals and interests. The program will give youth op-

portunities to work with Police Officers and Military personnel from around the province. Participants will be provided a uniform to wear after 4 weeks of attendance. The program will have sports nights, movie nights, culture, pizza nights, camping trips and much more.

2010 OLYMPICS DEPLOYMENT

The Dakota Ojibway Police Service has committed to supplying two (2) Members for the 2010 Olympics Security Detail.

Constable K.D. (Dale) McKay and Constable T.J. (Trevor) Pashé have been selected for this deployment.

This is a once in a lifetime event. This also demonstrates our Members' commitment and pride in wanting to represent our Police Service at an international event.

Julia Ironman is the Cadet Corps logo contest winner. Chief Doug Palson congratulating Julia.

Crime Prevention Feature

Keep you home safe...

About 70 percent of break and enter crimes are through a front or back door. Use a good quality deadbolt to improve door security. Make sure to attach the striker plate to the door frame with at least two, three inch screws.

Automatic light timers give the impression that someone is home in the evenings, even if you're out.

Illuminate your house numbers at night in case emergency workers need to find your home.

If you arrive to find your home broken into, don't go inside. Go to a safe place and call the local police.

The police need your help reporting suspicious vehicles or people in your neighborhood.
